Promoting New Forest towns & villages to our residents & visitors

Go New Forest's annual marketing programme targets local residents, day visitors within 90 minutes drive time and staying visitors from further afield including overseas. It is delivered through a multitude of online and offline promotional activities.

Last year www.thenewforest.co.uk had over **1,150,000** unique users and **4,000,000** page views and traffic growth is currently 10% up year on year. Our Press & PR work generated over **£1 million** worth of coverage and the Go New Forest Card scheme has already **doubled** its sales year on year! We have a standard model to promote and profile each of our towns & villages, the template can be viewed by clicking on: www.thenewforest.co.uk/explore/towns-and-villages/burley. In addition, GNF works closely with each of our town and village members to tailor-make activities to increase visitor numbers all year round.
